

UK Veterans  
Family Study

**We want to  
hear from you!**

Are you a spouse / intimate partner or child (now 18+) of a military veteran living in England, Scotland, Wales or Northern Ireland? If so...

## We want to hear from you!

We want to understand the support, situations, and environments that have had an impact on your family's mental health and wellbeing since leaving the military.

Can you spare around one hour to complete a confidential, anonymous, online survey?

At the end of the survey you will have the option to refer other members of your family to participate, and you may choose to be entered in a prize draw for one of a number of £50 Amazon gift cards
