D-Day 80th Anniversary Luncheon

Bring your dancing shoes and prepare for an unforgettable experience as The Polka Dots take the stage at our D-Day 80th Anniversary Luncheon at the VSC on 6th June 2024!

Their beautifully blended voices, high-energy dance routines, and stunning designer costumes will infuse the event with an irresistible swing. Get ready to groove to classic tunes from legends like Glenn Miller and the Andrews Sisters, as well as cheeky retro twists on modern hits by Dolly Parton and Whitney Houston. The Polka Dots deliver each performance with a perfect blend of pizzazz, professionalism, and audience interaction, ensuring that everyone will be up on their feet and immersed in the celebration!

As if that's not enough, we have a special treat in store for this special occasion. The exceptionally talented Adam Rhys, known as the Swing King, will grace the stage. A familiar face at the VSC, Adam recently concluded a successful tour of Australia with his third contract in the smash-hit musical 'Jersey Boys,' where he portrayed Nick Massi as one of the original Four Seasons. Adam will enchant us with his smooth vocals, presenting much-loved favourites from the iconic Bing Crosby, Dean Martin, and Frank Sinatra to name just a few. This extraordinary lineup promises an afternoon filled with music, dance, and timeless classics that will truly make this D-Day celebration remarkable.

Don't miss out on the magic – join us for an afternoon of entertainment, camaraderie, and celebration at the VSC! To book, please visit Member Portal on VSC website. Alternatively, you can contact the membership team at 0207 616 8312 or email mem@vsc.co.uk.
